Chardonnay
White Pear, Spice, Elegant, Creamy

Winemaking notes

The fruit was harvested at 12.0 Be to retain high natural acidity, with the fruit was showing strong citrus and grapefruit characters, as well as some floral notes. The fruit wasx pressed to tank and allowed to settle for 24 hours and then racked to barrel (20% new French oak and 80% 1-4 year old). The wine underwent 100% natural fermentation, and 20% malolactic fermentation. The wine was matured in oak for 10 months prior to bottling.

Tasting notes

This is a refined and elegant cool climate Chardonnay. The nose displays aromas of citrus fruit, apricot kernel and white peach with spicy integrated oak, whilst the palate is fine and minerally.

Technical notes

Alcohol:	12.5%	Harvest date:	March 2018

Food Match
Pork

The rich lusciousness of the Wizard Chardonnay matches really well with full flavoured pork, and there is enough acidity in the wine to cleans the palate after eating that delicious crackling!

Local pork producers

Guy Robertson of Mount Gnomon Pork raises old-fashioned breeds of livestock so you can experience meat as it used to taste. Make sure you track down this pork – it is awesome! Guy has recently constructed his own on farm retail outlet and farm experience and has regular pop up restaurant events with quest chefs at the farm. You can also see him at one of the markets listed below. Make sure you try one of their pulled pork tacos.

Harvest Launceston (every Saturday)

Hobart's Farm Gate (1st & 3rd Sundays of the month)

If you can't get to the market or out to the farm to pick up some Mount Gnomon pork, then Scottsdale pork is also great quality (and more widely available). You can get Scottsdale pork form Casalinga, Landfall Farm Fresh, Alps and Amici and The Trevallyn Grocer in Launceston.
